Dear Colleague,

Saturday, October 26, 2024 – 12:00 p.m. to 4 p.m.

What you'll see:

- Over **200 diverse colleges and universities** offering a wide variety of educational options.
- **Presentations on Financial Aid, the College Essay and more** both days for students and parents
- **College Advising Center** that offers students and parents a variety of counseling services relating to college admission and financial aid.

Please take *close* note of the following items:

- **BUSING and SCHOOL GROUP REGISTRATION PROCESS:** To help with logistics please advise us of your transportation plans by **completing your RSVP here:** <https://www.surveymonkey.com/r/333HSLK>
- **Complete the high school group/busing registration by October 10, 2024.**
 - PLEASE post signage on the front window of each bus to clearly identify the school group and bus number within the group.
- **REGISTRATION and COUNSELOR TOOLS:**
 - **Please make sure EACH student in your group is REGISTERED in advance** by going to <https://www.nacacattend.org/24Seattle>.
 - Smart phone registration is available. Barcodes can be scanned directly from a smartphone or printed out and brought to the fair.
 - Registration will also be available on-site.
- We are also excited to offer our new app - Attendee App - at this fair! [Download the app](#) to keep track of your barcode, pull up a map of the fair, take notes on colleges you visit, connect with the colleges you didn't have time to visit and much more - all at your fingertips!
- The [NACAC College Fair Attendee App](#) is available to download one week prior to the start of the fair. Get the app to start planning your day at the fair. You can view the list of schools exhibiting, workshops being offered, parking info and more.
- Please note there is a possibility of a bag check, so we encourage students to limit what they bring. **Bags will be provided for students' college materials.**
- Encourage your students to come to the College & Financial Aid Advising tables if they don't know where to begin or need help identifying colleges offering specific majors and inform them about the Financial Aid workshops offered during the fair as well.
- **Consider collecting the cell phone numbers of all attending students or use the Remind App so when your bus is ready to go you can reach a student who may not report to the bus in a timely manner.**

Please note that the bus group drop-off and pick-up plan is still being finalized. More detailed information will be sent out to registered groups before the fair.

You can access marketing materials at this [link](#) and find Seattle. If you have any additional questions about the Fair, please contact me or Brandon Bruan, chair of the NCF Seattle Committee. We look forward to seeing you at the Fair!
